TRAININGS

Deep Learning And Deployment On Web

Devtown Bootcamp, Online

Feb 2024 - Feb 2024

I'm delving fully into the world of deep learning by enrolling in DevTown's intense 7-day bootcamp, "Deep Learning and Deployment on the Web." In just one week, I'm picking up advanced methods and frameworks that will enable me to easily implement potent AI solutions online. I'm gaining expertise and becoming a skilled web-based AI developer by putting theory into practice, and I'm thrilled to put my imagination into a website.

7 Days Free Bootcamp On JavaScript And React.JS From A To Z

Devtown Bootcamp, Online

Dec 2023 - Jan 2024

Joining the 7 Days Free Bootcamp on JavaScript and React.JS was like opening a door to a world of opportunity. With expert guidance, I learned the basics of JavaScript, then dove into React.JS. Alongside peers, I tackled challenges, grew my skills, and proudly received my certificate. This experience wasn't just about coding; it was about unlocking potential and embracing a future of possibilities

7-days Bootcamp With Devtown On Python And Artificial Intelligence

DevTown, Solo Learn, Online

Nov 2023 - Dec 2023

Joining Devtown's 7-day bootcamp on Python and Artificial Intelligence was like stepping into a realm of endless opportunity. With expert guidance, I delved deep into Python's fundamentals before exploring the realm of AI. Alongside peers, I laughed, struggled, and ultimately grew, emerging with newfound skills and confidence. This

transformative journey wasn't just about learning—it was about unlocking my full potential in the world of AI.
